Building Envelope Performance Seminar Siding Inspections Made Easy

Date: *Tuesday, April 7, 2009 (just before the ALPHI meeting)*
Location: *The Westwood, Garwood, NJ*
Cost: *\$150.00 (includes course material and lunch)*
Time: *8 am to 5 pm*

The building envelope and wall cladding should be designed to withstand moisture penetration to the interior, yet allow interior moisture to escape to the outside. Learn the proper installation of different building envelope systems and materials such as brick, stucco and EIFS. Do you know what the vented rain screen principle is? This course will also discuss inspection techniques, report writing strategies, life expectancies and more.

**To register call (609) 490-0022 or
